I launched Omegle when I was 18 years old and still living with my parents. It was meant to build on the things I loved about the Internet while introducing a form of social spontaneity that I felt didn't exist elsewhere. Uhmegal is your modern Omegle alternative.

Click Start Chat and meet new people instantly via video chat. Omegle is a free online random video and text chat platform.

Talk to strangers anonymously without registration and meet new people worldwide. OmeTV, unlike many other Omegle-like platforms, includes a message translation feature for seamless communication.

Enable this in settings to chat with strangers from other countries, breaking down language barriers effortlessly. As a trusted Omegle alternative, Monkey lets you talk to strangers instantly through live video or text.

With real-time moderation and AI filtering, every chat feels natural and respectful. New Omegle alternative with gender filter and more! Emerald Chat is the best online platform for video chat and making new friends for free. At the time of its closure, Omegle faced a \$22 million lawsuit which was filed in 2019 by a teenager from Oregon who became a victim of child sex exploitation.
