Apr 19 2012 One to one is used when you talk about transfer or communications. You may use one to one when you can identify a source and a destination. For eg. one to one email is one sent from a single person to another i.e

no cc's or bcc's. In maths one to one mapping maps one element of a set to a unique element in a target set. One on one is the correct adjective in your example

See Free Oct 24 2021 I want to know what the constraints are on using the phrase one of the. Is it used correctly in this example? He is one of the soldiers who fight for their country. Which one is grammatically correct or better? I have two assignments. One of them is done

I have two assignments. One of which is done

I watched a video tutorial that the teacher said the Aug 11 2019. When using the word which is it necessary to still use one after asking a question or do which and which one have the same meaning? Where do you draw the line on the difference between which and which one when asking a question that involves more than one answer? Dec 12 2015 One of the former students

One of refers to a group. The group that follows is plural. Students is plural of student. Consider the statement one of the team

A team is a group. It can be referred to as singular or plural depending on the context. In this case the sentence refers to a larger entity which one is part of. The one could imply that of the alternatives only ONE choice is possible or permitted

Which alone could indicate several choices from the set of alternatives could be selected in various combinations. Of course speakers are often very imprecise about their meanings intentions when saying which or which one

Usually the context makes it clear if the choices are mutually exclusive or not. Oct 6 2023 I drew the shorter straw so I was the one who collected the money. The present tense I am the one refers to the current state of affairs

You are the person responsible for carrying out that action and your responsibility extends into the present. I am the one who collected the money. Dec 31 2019 This is one of the things which are really important to her

When I think about it the second sentence seems correct because things and are are both plural and so in agreement Jan 10 2019 Some people say a dog = one dog = ones the dog = the one = that and the dogs = the ones = those

It's a rule of thumb but what I found was that this is not always correct. Both a and one mean one. The difference is that one puts more emphasis on the number such as I have 4 computers and a printer I have 4 computers and only one printer.
