Dec 4 2025 Players looking for Shadowmoon Lumber to craft items with Warlords of Draenor professions should instead harvest Olemba Lumber from Outland. The lumberjack in each neighborhood will trade Olemba Lumber for an equal amount of Shadowmoon Lumber until the trees in Draenor catch up

I've tried to be in WOD Timewalking and even went through the portal in Blasted Lands but that took me to Draenor Nov 28 2025. A decor limit of 5000 is just too small. I intend to spend a LOT of gold first week and fill up my inventory

I purchased 8k+ decor items so that when I am designing I do not have to run out to Outland, Dragonflight, Northrend etc. to buy 1 or 10 more of whatever I need. I would like the limit to be raised to 50k or removed entirely

I really really hope that limit was in place just for Beta. I've visited the Tailoring trainer at Honor Hold and the Bookshelf Trainer in Shattrath and there are no more recipes to learn past 45

How do you level Outland training to 75? Thank you in advance. Welcome to the Burning Crusade Classic Anniversary public test realm PTR

The PTR is now open. This first 2.5.5 patch unlocks Outland and allows testers to reach level 70. For this PTR in addition to all of the content in Kalimdor and Eastern Kingdoms, Outland will be available.

The following changes are coming to the Burning Crusade Classic patch 2.5.5 and are planned for testing in the Nov 26 2025 Enhance Your WoW Burning Crusade Classic Anniversary Edition Experience. WoW Prepare to tread once again through the Dark Portal and into the Fel scarred realm of Outland with WoW Burning Crusade Classic Anniversary Edition launching early next year and included with WoW Subscription or Game Time Nov 18 2025. Hello everyone, I wanted to take this time to write this post expressing that the idea of charging \$80 for the Epic edition of the Outland Pack is absolutely inexcusable.

The original Outland Pack included the boost in the \$40 edition.

This was a player friendly way of making money off of TBC which Blizzard is a business after all and it allowed people who did not enjoy the original classic Nov 6 2025. So you finally fixed Missing NPC Randall Goldsprocket [Legion Remix] but now when I take the portal to Outland for this quest Korvas does not spawn.

In fact nothing spawns and I'm stuck in a grey Outland where I'm about to be teleported out but I'm never teleported out and I am unable to continue the DH quest line. Almost there Blizzard. I guess we can report every single quest Nov
