Or just home document violations such as unpaidovertime. When you eventually leave this employer and you probably will file a wage claim on your way out the door. Past that maybe your employer is a fool or maybe the employer is a knave

We cannot tell from here If you Google dolovertimesettlement you can find hundreds of millions of dollars in settlements very quickly

Most of them were through the misuse of the Outside Sales exception financial services mortage industry and others although other Exempt exceptions have have been involved.
