WhyESGcompliance matters Reducing risk By ensuring suppliers andcontractorssupport yourESGstrategy you can avoid risks such as regulatory fines supply chain disruptions and damage to your reputation

Enhancing your reputation Stakeholders care about social value more than ever before In light of the change in public perception as well asESGindexes and funds potentially reconsidering defense relatedESGcriteria there is a clear business need for defense companies to focus on improving theirESG related performance Essex Services Group ESG is a multi disciplined MEP company founded in 1975 beginning as an electrical servicescontractor

Based in Essex and Central London ESGcurrently provides services within the UK and Mainland Europe

Covering the commercial contract services retail residential public and education and technology solutions sectors ESGprovides a full MEP service from design Apr 25 2023 IADCESGReporting Guidance now available IADC recently launched itsESGReporting Guidance Document with the aim to assist members in evaluating whether and how to report relevant drillingcontractorESGinformation in an annual sustainability report or through another method Supplier andContractorSelection Choosing the right suppliers andcontractorsis important to meetESGgoals

Companies should evaluate potential partners based on theirESGperformance ethical practices and commitment to sustainability

This due diligence can help ensure that all project participants align withESGobjectives May 1 2023 Acontractor sactivities are part of the owner s value chain and therefore contractors ESG related activities factor into owners ESGgoals

Having the protocols in place to track keyESGmetrics and providing owners with this information when needed will be a competitive advantage for manycontractors ESGData and ReportingContractorRole This is a 6 9 month contract opportunity to work as anESGData and ReportingContractorfor an international renewable energy producer

The company develops builds owns and operates renewable energy projects globally

They are looki Huaweiis a leading global provider of information and communications technology ICT infrastructure and smart devices Huawei HuaweiCorporation sometimes stylized asHUAWEI hwwe HWAH way Chinese pinyin Huwi is a Chinese multinational corporation and technology company headquartered in Longgang Shenzhen Guangdong Latest news onHuawei providing comprehensive coverage of the tech giant s smartphones 5G equipment sanctions innovations and
