May 17 2025 So I bought a 2 daypassprofessional to TIS. I can login in to TIS via the website and when searching for TSBs the latest I can find is the one mentioning 04b04. But nothing newer. From within Techstream I click on the Update > yes link and it opens a window with a login screen for TIS

It asks me to select user type. TTE TMS Dealer etc Feb 6 2012 I have wires that I'm going to pass through the firewall and I need a location. Through the factory grommet won't work not enough room

I was Feb 7 2020 Hi everyone! Just to let you know to check your rear water bypass joint!! They seem to be a problem on the 3.5. It's not a big leak but the part is Nov 27 2023 One last final massive update

OTT tune got their CARB approval making it the only NA tune for the Tacoma that is 100% CARB approved and will pass any emissions test that is now checking for a modified ECU

Big shout out to JustDSM and the team for working hard on getting us tuned Tacoma users legal Jan 27 2012 Hey SMS I have an 05 with the 4 cylinder and 218K miles and just this last week had exactly the same problem. The pipe is 100% molded plastic and bolts with a 2 bolt flange to the back of the thermostat housing runs straight back alongside the block then turns left toward the left side of the truck and ends with a bolted flange and 2 water hose outlets 1 larger one for the cabin heater Jan 1 2016 Engineer Pass Lake City to Ouray via Mineral Creek Completed June 30 2021 Started this trail in Lake City. The trailhead begins right off the SE Jul 5 2020 For those of you who mount your ezpass but use something to mask the ugly look from outside what do you use? Black interior

I use mine for my daily Aug 19 2017 I am ordering parts online and some specify with by pass tube on housing some with by pass tube on Driver's End of Pump some without by pass tube

Does anyone know how to tell which my truck has without taking the whole timing cover off and everything? I have a 2002 3.4 v6 4x4 with a manual transmission Feb 22 2016 2005 2.7 L Tacoma. I have a coolant leak on what I believe is the coolant bypass housing sort of behind the thermostat housing

It's very tight in Jan 1 2016 Imogene Pass Ouray to Telluride Completed July 1 2021 This was the last trail in a week long trip. Had previously completed Medano Pass and Engineer.
