PETA exposes animals suffering in laboratories in the food industry in the clothing trade and in the entertainment industry. People for the Ethical Treatment of Animals (PETA) is the largest animal rights organization in the world with more than 3 million members and supporters. PETA's Ultimate Cruelty Free List is the ultimate resource for conscientious shoppers making the quest for cruelty-free products as easy as pie. PETA has made groundbreaking advances for animals who are abused by corporations, governments, and individuals throughout the world, and these successes have led to dramatic improvements in the lives of millions of individual animals. PETA was founded in 1980 and is dedicated to establishing and defending the rights of all animals. PETA operates under the simple principle that animals are not ours to experiment on, eat, wear, use for entertainment, or abuse in any other way. You can be confident that your contribution to PETA will go straight to work helping animals by ending horrifying experiments, funding investigations to expose cruelty on massive farms, stopping animals from being abused and killed for their skin, rescuing dogs and cats from neglect, and much more. PETA's Action Team helps people advocate for animals.

Whether you're a seasoned activist or just getting started, we're here to support you in your activism. Millions of animals are held in laboratories across the U.S. for animal testing. PETA is at the forefront of stopping this abuse. Contact PETA to report cruelty to animals, contact the media department, or report a web problem. Do you know what PETA stands for? Learn the truth about what's at the core of the world's largest animal rights organization.
