2020 09 02 In my opinion Xhamster comes after Pornhub with XVideos being the
worst of all time. Remember what you are selling the community determines how
much you get paid. This means that you need to find a very eye catching niche
that a lot of people will want to watch

Your videos need to be well scripted well lit and of high quality Reddit gives
you the best of the internet in one place. Get a constantly updating feed of
breaking news fun stories pics memes and videos just for you

Passionate about something niche? Reddit has thousands of vibrant communities
with people that share your interests. Alternatively find out whats trending
across all of Reddit on r popular

Reddit is also anonymous so you can be Honestly Xhamster used to be one of my go
tos until it required you to make an account with ID verification not only am I
too lazy for that I feel dirty making an account and giving my personal info to
a porn site just not happening Xvideos is greatest to me r xHamsterCreators
