Is it confirmed that they Kevin and poki aren t together? Oct 12 2020 The banning itself had a mixed response

Many defending Pokimane and calling Leafy and his followers sexist and misogynistic for their claims Pokimane was only valued for her body many others saying that the banning of Leafy was the death of edgy dark humor and criticism on Youtube Dec 29 2022 Answer Pokimane is just a lightning rod for misogynistic hate in the streaming scene since she s one of the most popular streamers

Compounding this is that her job is to just talk online and its constantly recorded so if she says anything that is slightly controversial it ll be clipped and reuploaded out of context Pokimane is far from the first to have obsessive followers but her fandom is notable for what some might call an excess of simps men who are in love with obsessed with a woman who is typically attractive and unattainable To add some context Pokimane has become notorious in the last few years for her growing ego

She pays at least a handful of people to hide and delete negative comments on her own feeds so she never has to read them

She literally does not encounter criticism in her own life so she does not know the amount of pushback she receives from her fans Feb 6 2022 Hey i was wondering if anyone had the download to this pokimanejoi that had like 5 parts i can fond the first one but not the others the 3rd part had a bunch of streamers like yvonne and emiru so if anyone knows about it or needs a bit more info please ask.
