Stress Dryness ultraviolet rays and various other external factors. Frozen POLA discovered and named the condition when stress causes the stratum corneum to become frozen

Reboot Renewal of Red B.A Anti aging care Skin care using cosmetics suited to your age Product Lineup In January 2017 POLA was the first company in Japan to receive approval for an anti wrinkle quasi drug. POLA WRINKLE SHOT SERUM DUO is the only anti wrinkle serum in Japan to balance the degradation and generation of dermal components by inhibiting the activity of Neutrophil elastase POLA White Shot Serum UV was created to help you face this harsh new environment

In hot weather UV rays are not the only threat to your skin

Because heat can also lower the concentration of sodium ions in your body making the melanin producing melanocytes in your skin more sensitive to light.\* B.A the ultimate brand in POLA that for 40 years has believed in the potential of humans as it continued to focus on the skin

Since its debut B.A has been advocating the Bioactive Theory which believes in drawing out the potential that each of us naturally possesses The list of products in Skincare. Explore our Skincare products.
