Great clips worker experience? I just applied at great clips and was wondering how the work plus pay experience is Jul 2 2022 Great clips charges 15 dollars a haircut when I worked there and you get about 15 minutes to do it

Most part clients are laid back but honestly I ran into so many super picky customers and nasty scalps. Now I work somewhere that the min haircut price is 50 and for some reason way less picky

No dirty scalps either Feb 14 2014 At one point the hairdresser ignored my bad estimation of how much to cut off cut it shorter than I expected and I ended up with a great haircut

Tipped \$10 on a \$20 haircut Mar 25 2023 Great clips coupons how to know which locations are participating? This is probably a really stupid question but everytime I see an ad for the 5 dollars off

I redeem it and try to go but every single time at checkout they just say oh it s not redeemable here

How tf do I check the locations that are valid? Jan 19 2023 Sportclips or Great Clips? Which would be better for an inexperienced male barber looking to learn gain experience etc? I can see pros and cons to each

Thanks! Sep 11 2021 Why does Great Clips always mess up your hair? Do they purposely make your hair lopsided? I told the person cutting my hair I only wanted a trim as my hair has not grown that long yet but was getting there. She made it all lopsided and now I have to wear a hat everywhere

Really sucks Dec 10 2021 Hair cuts at salons versus Great Clips or Super Cuts? Can anyone provide insight on whether trimming pun intended hair cut expenses by going to a budget chain Great Clips or Super Cuts is worth it? For context I get my long hair trimmed maybe once a year Great Clips has its pros and cons for me I was able to develop great technical skills and had requests daily

For the haircut times it does depend on the organization you work for. There is training available some will work with you and others lets just say arent as gracious Nov 21 2023 The price is usually \$19 lately Im a male and my haircut is fairly straightforward and simple and doesnt take too long

How much should I tip? Jul 23 2015 I have only ever been to great clips super cuts for a haircut. What am I missing out on? Should I go to a high end hair stylist? Male 23 yrs old.
