Theads often have fake skip buttons before videos which when clicked will redirect you to a site with malware

Just be careful where you click on pornhub and install an antivirus and you should be fine Yup YouTube hates its main user base because they hate bad updates dont watchads and dont buy YouTube Premium

They want mindless consumers who click through videos all day and waste money on subscriptions Feb 20 2023 The reason sexualads might be popping up in someone's reels on Facebook is likely due to the targeting and algorithm used by Facebook

Facebook's advertising platform allows advertisers to target their ads to specific audiences based on demographics, interests, behaviors, and other factors

It's possible that the individual in question falls within a demographic or interest group that is Your favorite Content creator videos are ads Just look up the definition of advertising and you will read the activity or profession of producing advertisements for commercial products or services

People are watching ads all day on YouTube and most don't know it or refuse to accept it Nov 3 2023 Sure someone could run ads for a porn site as listings on Facebook Marketplace but that would be a wasteful and inefficient method when Facebook offers an ad service she is a girl that was in a bangbros bang bus porn video Everglades Adventure?

This image is used to advertise in a lot of porn sites because while she is a average looking pornstar for a few frames in this movie she appears super innocent appealing young Ads are already annoying in itself. The worst though is the fact that ads seem completely unmoderated

Most of the ads I get are straight up scams. YouTube can't be bothered to be responsible for the ads that run on their platform so I'm constantly seeing ads for fake mobile games, health products, and financial scams. The second they asked you to pay for ads, they stopped monitoring them

Well if you didn't want your child seeing porn ads just buy premium. Wouldn't they make more money with legitimate ads? Pornographic websites have absolutely insanely high traffic and a lot of them are run professionally. I think some of them are even in the top most viewed sites

But it seems like most advertisements on there are trashy and scammy. Why don't they try to run more legitimate ads from real businesses? Apr 12 2023 Why are porn and porn ads so loud? A Facebook video on Vol 1 on my phone is inaudible but I can hear porn and porn ads at Vol 1 from down the block
