I signed in with a YouTube username Tips to complete account recovery steps If you  
can't sign in to try to get back into your Google Account follow these steps Go  
to the Account recovery page

As you complete the steps use as many of the tips below as you can

Tip You may not find all the questions described here By default your Android  
device stores encrypted recent locations with Google and participates in the  
FindHub network a crowdsourced network of Android devices that uses end to end  
encrypted location information to help Android users find their lost devices  
When you browse in Incognito Chrome doesn't automatically sign you into your Google  
Account or other websites This won't change how data is collected by the websites  
you visit and the services they use including Google

Sites may still be able to gather information about you even when you're not  
signed in If you're having trouble accessing a Google product there's a chance we  
re currently experiencing a temporary problem

You can check for outages and downtime on the Google Workspace Status Dashboard  
Sign into the FindHub app. Grant app location permissions to display a blue dot  
on your map and calculate friends distance from you

If you don't grant the FindHub app location permission you can still use the app  
to find your lost devices and to share your location but you won't be able to  
see your blue dot
