The Email Summarizer uses advanced AI models to analyze the content of your email

It identifies the main points, required actions, and important details and then presents these in a concise and easy-to-understand summary. Transform lengthy emails into clear, concise summaries with our Email to Summary tool.

Get key points and important details extracted automatically from any email thread or message, helping you save time and stay focused on what matters most. In classic Outlook or new Outlook, choose the conversation that you want.

Select Summary by Copilot or it might say Summarize at the top of the email thread.

Copilot will scan the thread to look for key points and create a summary for you.
