

<<pornhub wrestling>> Mickie James Its very frustrating when women go  
Random thoughts WWE is deliberately making.

Mar 31 2025 Now an entire legend women swrestlingpioneer chimed in and agreed.  
The new women s wrestlers of today need to cover up their bare asses and in some  
instances their cleavage

Thank you Mickie james for calling the smut lovers out they had a whole  
revolution against the shit for Rhea ripley and the rest to mudshow EVERYTHING  
right back up Dec 20 2025 WWE has to please the USA Network for what WWE is  
being paid for

Especially with the USA Network being WWEs most reliable destination for their  
programming. I am sure that RAW on NETFLIX has impacted Smackdown just like  
Smackdown on FOX impacted RAW at times seemingly but WWE clearly is still making  
some effort with Smackdown

Cody and the WWE Championship is still on Smackdown for example Dec 19 2025 WWE  
has reportedly closed its doors to incoming talent from rival promotions telling  
wrestlers from TNA and AEW that they are not currently looking to hire new  
personnel

According to Dave Meltzer in theWrestlingObserver Newsletter the company  
believes its developmental system is stocked Apr 28 2025 Crazy about all  
thingsWrestling NASCAR and Tech related

Major Events Attended 2017 Coca Cola 600 2018 DAYTONA 500 2019 DAYTONA 500 2020  
NFL GB TB Had a ticket for WrestleMania 36 in RayJay Stadium before cancellation  
from COVID May 8 2025 As someone whos biased to the 80s 90s 2000swrestling what  
makes people think this era is the best era? I mean is it the stories the  
matches the new tv shows the belts cause I just cant seem to get as interested  
in 2025 maybe its age or lack of stories and characters or just lack of Dec 14  
2025 But I d actually say that it is

This is the only feud that felt like it was bigger thanwrestling. They legit  
didn t like one another. The amount of interviews that get done about the screw  
job still is incredible

This thing died in 97 and it s still the hottestwrestlingstory in the company  
Nov 17 2024 Jake Paul and Mike Tyson s heavyweight boxing match was viewed by an  
estimated 60 million households globally peaking at 65 million concurrent  
streams according to data shared by Netflix

Can Cody vs Rock surpass this viewership? I mean it would be an embarrassment  
for pro wrestlingto bill this as the biggest mania ever in Vegas and being  
unable to outdraw old man Tyson

Thoughts? 3 days ago Stephanie vs Raquel vs Nikki for the womens championship
