Feb 22 2024 iTunes only loads as podcasts audiobooks selection screen and not the normal music screen. Uninstalled and installed many times and only get podcasts audiobook selection panels Dec 17 2023 My PC went from normal Itunes to podcast audiobooks

Cannot get out and off that page I have a Lenovo PC. Have iTunes on it for years. Last week when I went to access this program so I could sync my iPhone to it

a completely different page comes up when I click to astivate the program Sep 8 2023 Hi there alin42 If you would like to restore an iPhone to its default settings with a Windows PC follow these steps from Restore your iPhone iPad or iPod touch in iTunes on PC 1

Connect your device to your computer. You can connect your device using a USB or USB C cable or a Wi Fi connection. To turn on Wi Fi syncing see Sync iTunes content on PC with devices on Wi Fi. 2

In the iTunes Jul 31 2017 The PC still asks me each time Do you want to allow this app to make changes to your device so it would be nice to make that go away

I see where I can change the sensitivity of the question to make it stop but that would work that way for all programs and that wouldn't necessarily work to my advantage Nov 16 2024 iTunes freezing and locking up on Windows 11 I must restart my computer in order to open iTunes and get it unfrozen

I believe this problem started after an update I got from Windows 11. I have seen others who have posted about a similar problem

Can Apple investigate this with Microsoft and try to get a fix Jan 12 2025 If unable to connect > If iTunes doesn't recognize your iPhone iPad or iPod Apple Support For your Windows PC > Troubleshooting issues with iTunes for Windows Apple Community Sometimes third party security software or firewalls can interfere with the connection between your iPhone and PC Jun 23 2022 Delete the iTunes shortcuts from the start menu desktop task bar or similar then repair iTunes from the programs and features control panel

Try Fix unexpected quits or launch issues in iTunes for Windows Apple Support document retired archived copy and test the behaviour in a different user profile or with a different library Aug 7 2024 Download iTunes for windows 64 bit This site contains user submitted content comments and opinions and is for informational purposes only Jan 29 2025 Yes iTunes can still backup iPhone's onto a Windows PC

click here Back up your iPhone iPad or iPod touch in iTunes on PC Apple Support
