The meaning of POSSESSIVE is of relating to or constituting a word a word group or a grammatical case that denotes ownership or a relation analogous to ownership. Someone who is possessive in his or her feelings and behaviour towards or about another person wants to have all of that person's love and attention and will not share it with anyone else. POSSESSIVE definition jealously opposed to the personal independence of or to any influence other than one's own upon a child, spouse etc.

See examples of possessive used in a sentence. Pronouns other than personal pronouns if they have possessive forms are likely to form them in a similar way to nouns see below.

In English for example possessive forms derived from other pronouns include one's, somebody's and nobody's. Possessives are forms that we use to talk about possessions and relationships between things and people.

They take different forms depending on how they are used. Nov 6 2024
The possessive case shows the relationship of a noun to other words in a sentence. Possessive case shows ownership, possession, occupancy, a personal relationship or another association. Someone who is possessive about another person wants all that person's love and attention.

He used to ring his possessive mother several times a day. Leaning over he kissed her possessively on the mouth. I've ruined every relationship with my possessiveness.
