Pretty Girlsby Karin Slaughter Put it on my reading list after seeing it listed as a top thriller with really good reviews. It was the most demented book I've ever read worse than anything by Gillian Flynn or Hannibal Lecter

It was good it was thrilling r PrettyGirls Reddit s arrogance in all but ignoring the mods needs has resulted in only harming our users

This sub went dark due to the terrible Jun 12 2023 I know there's prettyprivilege where attractive women are treated better but I think there's also the other side to it women can be jealous spiteful mocking towards other attractive women So one reason that you might seeprettywomen with average less attractive guys is that those guys aren't actually less attractive you're just judging them more harshly than you are their partners Jul 20 2023 I've noticed that a lot of beautiful actresses and supermodels date ugly men

Why? I looked some of them up and they aren't even rich and some of these beautiful women who are in their 30s and 40s some of them date men who are 21 25 why? I get insecure as soon as I see girls that look so GIrls trying to out pretty their friends to get the trophy guy. The less physically attractive women start out behind this curve but quickly figure out that a quality man wants more than
