Feb 9 2011 Pricepoint means a point on a scale of possible prices at which something might be marketed its meaning is different from the meaning of price which is principally but not only the amount of money expected required or given in payment for something

People can use a phrase used in a specific context and give it a different or a wider Oct 6 2019 A price on connotes a price set levied on probably not the actual words and is more seller orientated

The price for is nuanced less towards the involvement of the seller and more towards the product or even buyer Aug 8 2017 Your best form is How much is it? if you want a natural sound

For What is the price it is better to ask What is the price of ABC or just What is the price? Asking What job are you? is making me equal to a job and you want to know which one. Well I am American but I do a job

I am not my job Jul 28 2014 The preposition OF is used here to indicate that the price belongs to is used in relation with prices of spare parts

Now the definition of FOR as a preposition For Used to indicate the use of something Some examples of for as a preposition This place is for exhibitions and shows. I baked a cake for your birthday 10 Taken from here The net price is the price pre tax and the gross price should be the price including tax

backed up by here you know a price after tax the Gross price but want to find out the price before tax the Net price. So I would say that \$100 = initial price \$110 = Gross price \$100 = Net price

\$95 = Discount price \$105 Feb 22 2019 The Merriam Webster dictionary defines cheap as charging or obtainable at a low price a good cheap hotel cheap tickets b purchasable below the going price or the real value so strictly speaking prices cannot be cheap since there is usually no price for a price goods and services can be cheap or expensive but prices as you say can only be low or high

The only circumstance strictly Apr 28 2016 1904 Topeka Capital 10 June 4 City Center kept the price of cream sodas at five cents until the State Sunday School convention struck town and then the scale was hiked to ten cents

We talk about a hike in stock market value a hike in interest rates rents wages etc. It is also used as a transitive verb. But why is it hike? Etymonline confirms 1932 from price + y. Pricey has always been more popular than pricy

Pricey is getting even more popular while pricy fades in comparison

So the bottom line is both spellings are correct but if you want to be on the
