1 day ago ANALYSISWhy President Vance would be more dangerous than TrumpNo issue animates the VicePresidentmorethanhis hostility towards governments across Europe including our own JDVanceis the 5 days ago The post Trumpright ismoredangerousthanTrump Opinion While it s hard to pin down exactly where VicePresidentJDVancestands concretely due to his being a spineless political chameleon he Sep 11 2025 There is a growing argument that a JDVancepresidency might actually bemoredangerousthan DonaldTrumps

Trumps chaos often undermines his own agenda

He blurts out illegal schemes fires off executive orders that collapse in court and throws tantrums loud enough to activate institutional pushback Jul 16 2025 A deep dive into JDVances rise Peter Thiels influence andwhytechnocratic authoritarianism could be the next major threat to democracy Mar 7 2025 From his speech accusing European leaders of running in fear from their own voters in Munich last month to his dismissal of their military capabilities this week JDVance 40 has quickly Apr 23 2025 Vanceis clearly lining himself up to beTrumps successor and aiming to please him at every opportunity

That day he made sure to step in and lead the humiliation of the diminutive but Dec 7 2025 Vance spath to thepresidencywon t be easy asTrumpis a fickle cheerleader and his unpopularity will weigh down his successor and since 1933 only one sitting vice president has won Jul 16 2024 Two BU political scientists share their thoughts on the choice of Ohio Republican Senator J

D.Vanceas DonaldTrumps 2024 running mate Oct 16 2024 Vanceisnt some random lawmaker who can indulge in political grandstanding without doing a lot of damage

He aspires to be the vice president which means one of his constitutional duties would Oct 2 2024 WhereasTrumpis aggressive and often rambles off topic Vanceappeared civil for the most part didnt resort to petty blows and expressed empathy with people who dont look or think like.
