DetailedProjectReport DPR for the declaration of Inter University Centre for Astronomy and Astrophysics IUCAA a project

The focus of this programme would be to nurture specific skills and talent in theoretical computational and experimental domains of the physics of gravitation which will be crucial for not only developing the experimental expertise needed for successfully establishing the LIGO India project but also maximising the scientific A detailed discussion of the binary pulsar is included and aProjectat the end of the chapter explores the nuances of the post Newtonian approximation

Chapter 10 applies general relativity to study cosmology and the evolution of the universe Based on the proposal for experiments from the scientific community on 3 April 2003 ISRO initiated Indias first dedicated astronomy satelliteproject AstroSat3 Experience and proficiency in programming with Python and C C++ is required for thisproject

Familiarity with other high level programming languages like Interactive Data Language IDL and Java web development tools like PHP Databases and management tools will be preferred The work pursued within the scope of my doctoral study we developed several important instrumentation for CSIR NPLs mission modeproject\Indigenous development of the state of the art quantum standard of time particulary for its one of the objective \Optical frequency standard In particular theprojectaims to search for line of sight acceleration in detected compact binary coalescence CBC events estimate the rate of mergers of such accelerated CBCs and investigate the information they can provide about the environment in which they formed evolved and merged INTER UNIVERSITY CENTRE FOR ASTRONOMY AND ASTROPHYSICS ADVERTISEMENT No.02 2025 Scientific Trainee SUIT Aditya L1 ProjectPay Remuneration Consolidated salary of Rs

30 000 p.m CSIR National Physical Laboratory New Delhi IndiaProjectI Single Trapped Ion for Optical Standards STIOS .ProjectII Setting up back up time scale for Indian Standard Time The scientific merits by giving examples of previous similar survey to other observatories and how the proposed programme improve upon them

A proven expertise in Analysing AstroSat data and listing of the earlier accepted proposal and publication based on them.PDFsand Young researcher are encouraged to lead the project.
