3 days ago Might need to buy a new vehicle tomorrow? Can use all the help on the plusses and minuses with the Ford Maverick. Looking at the XLT Hybrid 3 days ago Pros 42+ mpg pretty easily Cheapish for a new vehicle Haul a decent amount of stuff. 4x8 sheets of plywood are easy

Cons shitty windshields about to be on my 4th one Battery drain issues and always in battery saver mode can't talk to the truck through the app I'd still buy one all over again. Have 42k miles on my 2023 and the only thing that bugs me is the battery saver issues

Other Nov 28 2025 [ARCHIVED THREAD] RXM or PSA Dagger? Pros and cons of each. What to buy? Page 1 of 2 Previous Page 2 Next Page Dec 23 2019 Pros great round that does what it says on paper probably the best round in the ar15 imho

Cons magazines It has taken me 3 years to finally get an assortment of 6.5 Grendel mags that work. Some don't feed some swell and won't insert into the mag well some need trimming bending of the feed lips. I've had at least 1 success and 1 problem mag with every manufacturer and capacity

The Feb 12 2020 There are only pros and no cons to a Wilde chamber in an AR15 barrel. Except maybe needed to clean the chamber at some shorter interval than a 5.56 chamber and that interval is really long

Full auto? Don't know but I'd want the looser 5.56 chamber Mar 14 2019 What are the pros and cons of using a ported gun for carry? What are the pros and cons of using a compensated gun for carry? Any experiences? Apr 20 2025 When you pay someone you expect immediate results so that's why they use bleach

Standard fresh household bleach is usually 6% sodium hypochlorite. Pool bleach is often 10% Pros buy it concentrated in bulk at usually about 12.5%. A 1.5 2% concentration should take mildew off vinyl Jun 19 2006 As so far I can tell there are 3 conversion kits available Ciener DPMS and Colt

Ciener has sold more kits and thus has more complaints. But works well on Mil Spec M4's DPMS is the closest to Colts kit. I have one and no complaints. Colts is the best but good luck in finding one very few were offered in 1989

If u use High Velocity or +P if available .22 LR you will have less problems Apr 8 2024 My son is putting Eglin as one of his first duty assignment picks. He is currently in Air Force BMT. How is the area around Eglin? Pros and cons

He loves the outdoors hunting and fishing. Thanks! Mar 15 2023 I see no Pros to doing it whatsoever

If you're doing it just to be legal based upon this current ATF edict that's going to be overturned then how do you intend to maintain the can over time?
