Lol. So women can t pee inpublicbut it s totally fine for Indian guys to just piss wherever and whenever they want? I ve lived in India for two years now and have seen more guyspissinginpublicthan in the almost 45 years I ve spent travelling to 50+ countries

I just get out and remind them that there are 24 hour gas stations on every corner if they cant find a good enough hiding spot to piss in

I dont arrest forpublicurination because for one its a city code violation and there is a 10% chance that it will get billed and two I sometimes find a dark This sub is a place to share and discuss the different aspects of communal urinals inpublicspaces. Please be respectful

Gargling swallowing drinking If it s piss going in the mouth or on the tongue of a slut it belongs here Is this for real? Snapped a picture of an outdoor urinal by the smoking area at Sensoji Temple

Isntpublicurination illegal in Japan? Also who had or has the cojones to give it a shot More pee inpublicbus by 2 brazen fine ass latina babes r trashyboners 1 yr. ago Jun 4 2024 19K subscribers in the auroramusic community

The music of Norwegian singer songwriter AURORA Aug 15 2022 I saw a comment somewhere saying they added them to fix the problem theyve have for years

Apparently since the MainStage crowd is so crazy packed and the fact people dont want to miss their favorite artists people would just piss out in the open. And the pee would run down the hill into the main pit and under the floor boards which made everything smell like piss.
