PUTis used by FB to update the comment because an existing resource is being updated and that is whatPUTdoes updates a resource .PUThappens to be idempotent in contrast to POST Mar 24 2014 The difference between POST andPUTis thatPUTis idempotent that means calling the samePUTrequest multiple times will always produce the same result that is no side effect while on the other hand calling a POST request repeatedly may have additional side effects of creating the same resource multiple times Nov 8 2011 Can I use aPUTmethod in an HTML form to send data from the form to a server? I m building a RESTful API using Zend Framework via the Zend_Rest_Route

For uploading of files should I usePUT orPOST to handle the process? I m trying to be as consistent as possible with the Dec 8 2012 How do I test a RESTfulPUT orDELETE method using cURL? Apr 28 2009 I was wondering what people s opinions are of a RESTfulPUToperation that returns nothing null in the response body Feb 25 2019 I have few questions that Although it a restful api but specific application which would be used by an angular application So should I return data in response of POST PUTrequests

Should I use PATCH in case of Verify oranyother action where just recordId and versionNo send to server to change some fields orit is OK to usePUT SincePUTrequests include the entire entity if you issue the same request repeatedly it should always have the same outcome the data you sent is now the entire data of the entity

ThereforePUTis idempotent

UsingPUTwrong What happens if you use the above PATCH data in aPUTrequest? Jun 27 2015 Difference betweenPUT POST GET DELETE and PATCH in HTTP Verbs The most commonly used HTTP verbs POST GET PUT DELETE are similar to CRUD Create Read Update and Delete operations in database

We specify these HTTP verbs in the capital case. Below is the comparison between them. Create POST Read GETUpdate PUTDelete DELETE PATCH Submits a partial modification to a resource Nov 20 2014 I m writing a webservice

Could any one explain these above methods and give me some example about them? Thank for your help.
