char ptr r34App R34GTT to GTR Conversion List I'm trying to consolidate a list of components for a R34GTT to GTR exterior conversion. With R34s becoming legal in the US in a year from now I made a list consisting of US based locations.

This should help limit crazy shipping prices

I used lists posted by Elir32 and StudioCreampie. I'm trying to consolidate a list of components for a R34GTT to GTR exterior conversion. With R34s becoming legal in the US in a year from now I made a list consisting of US based locations. This should help limit crazy shipping prices.

The only reason why I don't consider it a 90s car is because the iconic 90s cars have all been at the end of their run by the time the R34 comes out.

Anyways I'm heavily considering purchasing an R34 for 100. The long awaited R34 and converted for five! Make sure to change vehicle sounds if you don't have the new R34 sound. Will probably release vehicle sound pack as well.

Enjoy everyone! r/RR34_ForNoobs Just a simple Roblox Rule 34 subreddit that's more aimed at content by smaller artists.
