And now the food BARCELONA My first jetlagged yetravenous plane food for 12 hours read pretzels and bread meal of tapas was at my sisters favorite spot in her neighborhood in Barcelona La Flauta

A rather large restaurant bustling with activity was immediately promising with displays of the days finest preparations DidRavenousPig for lunch and loved loved loved it. Had the Truffled egg Gatherer Salad really good and the rock shrimp Tacos

Got a seat looking into the kitchen as I was alone it was a good spot to watch the show. Was there for a show so many meals were company events did Capital Grill Ocean Prime but the favorite was Chatham s Place I was thrilled to get the email from Kelly tonight announcing the opening

Congrats! The happy_stomach clan led by theravenousMama happy_stomach will be in for lunch this Sunday

I ll email with our info I am also looking for any feedback on TheRavenousPig mentioned upthread I may try to sneak over there for a snack one day during the week while my wife and daughter are taking a nap Portion sizes for each would easily be 2 meals a piece unlessravenous

The frontier chicken was a nice mix of dark and light meat but personally a bit light on spice all and all a nice dish but i ll be exploring more of the options before ordering again Aug 5 2019 When I arrived at the picnic I wasravenous

I saw the apple pie and not thinking back at all to the list of people s contributions and not seeing a label I just piled a gigantic slice on my plate To reheat I prefer a convection oven at 275 300 for 20 30 minutes depending on size but today I wasravenousso I used the microwave to reheat one

I lost some of the crunch in the crust but I got to eat in 3 minutes All these recipes are making meravenous! My favorite fresh corn recipe is from the days of The Two Hot Tamales Cut corn from the cob. Saute corn along with any milk you can scrape off the cob with onion and a little garlic

Add butter and cream cooking slowly until corn is done and cream is reduced and thick Foraging Shagbark Hickory Nuts I have made enemies of the forest squirrels As autumn falls I find myself in a bit of a panic trying to force in all the summer things I didnt get a chance to do

Additionally the change of seasons sparks something instinctual in my blood the need to marshal and hoard resources in preparation for the coming harsh bleakness of winter

I want to reap Next morning ravenousafter a swim in the hotel pool we headed to
