Coronie is a district of Suriname situated on the coast. Coronie's capital city is Totness. The district borders the Atlantic Ocean to the north, the Surinamese district of Saramacca to the east, the Surinamese district of Sipaliwini to the south, and the Surinamese district of Nickerie to the west.

The district is served by the Totness Airstrip. Coronie is ideal for travelers seeking calm landscapes, historic charm, and fresh ocean air.

A visit here offers a peaceful escape with a touch of English Surinamese history and beautiful coastal nature. Jan 20 2025 Coronie is famous for its historical plantation sites that attract history enthusiasts and tourists alike.

The area is celebrated for its rich biodiversity and agricultural landscapes, making it a unique blend of history and nature. Coronie is known for its coconut palms, its coconut oil, and material processed from coconut. In the past, coconut trees were widely planted.

Nowadays this only happens on a small scale.

A song has been written across the palms of Coronie and has been elevated to the district's national anthem. Coronie District Tourism Tripadvisor has of Coronie District Hotels, Attractions, and Restaurants, making it your best Coronie District resource. Nestled along the northern coast of Suriname, the district of Coronie remains one of the least discussed regions in the Caribbean.

Yet its history is shaped by colonialism, environmental struggles, and cultural resilience. It mirrors many of today's most pressing global issues. Coronie, a serene district in Suriname, offers an authentic and undisturbed experience reflecting the traditional lifestyle of this South American region.

Known for its expansive savannas and mangrove swamps, it provides a unique landscape that differs from the rainforests typical of Suriname.
