injury real? Was it caused by liv or becky? Like did she just want some time
off? Did she actually get hurt with Becky at WrestleMania and then have Liv
attack her to generate story and not let Becky get heat for hurting her

That hold Becky put on her looked pretty rough. What is even going on? A place

Ive come up against very few opponents she cant beat and she consistently does 1
million to 3 million when she pulls her move set. Im sure people know better
wrestlers or better tricks in the game but for me shes been the ultimate Beast.
Just wanted to share for anyone that might be interested
