Reelto grip methodsYou can see in the pic below I use rubber bands to hold thereelwhile taping. That rod has two rubber bands on it because I didn t know if I was gonna like thatreelon that rod

However when mounting areelwith Tommy Tape I will rubber band the back of thereel and tape the front first. Then remove the rubber band and tape the back. Very simple process! I cut a piece Dec 22 2022 Thereelis slightly on the smaller side and that is the reason for liking it

It has less weight and therefore I can detect a lighter bite. Obviously thereeldoesn t have the line capacity but I m not fishing for Northerns or Musky. Walleye don t tend to make long runs

And if I do hook a longer running fish I still have plenty of line to The long stem just seemed to make the combo too big if that makes sense thatreelsticking out so far just got in the way

I fish with gloves a lot but thinner gloves so I personally don t have a need for the long stem Rubber bands for ice reels?Re Rubber bands for ice reels? Reply 15 on Feb 06 2017 08 35 AM Keep in mind if you use heat shrink tubing you cannot do areelreplacement quickly on the ice as you can using the bands Logged Now is the time for all good men and women to engage in the sport of ice fishing Unfortunately they discontinued that combo but it s basically the samereelas the lower end 13 Fishing Free Fall reels still on the market

I love the trigger WinterReelServicesJust wondering what peoples experience with this is? They received myreelon1 7 but I have not heard a word from them. When I first inquired they made it seem like turn around was much quicker than it looks like it actually will be

Not that I am in a rush but if I was could I depend on this service? 30 45 day turn around wouldn t work out too well in the middle of the Love my non hook setting original foolers for dead sticking with a 500 series baitfeederreelon a Jason Mitchell meat stick. They pack down wonderfully

I would highly recommend their hole covers as well. The only issue I have with them as with any tip up is that they are great for live bait presentations but not so much for anything else The revolutionary Tight Line Pro will set a new standard for in line ice fishingreelperformance
