Reel to grip methods You can see in the pic below I use rubber bands to hold the reel while taping. That rod has two rubber bands on it because I didn't know if I was gonna like that reel on that rod

However when mounting a reel with Tommy Tape I will rubber band the back of the reel and tape the front first. Then remove the rubber band and tape the back. Very simple process! I cut a piece Dec 22 2022 The reel is slightly on the smaller side and that is the reason for liking it

It has less weight and therefore I can detect a lighter bite. Obviously the reel doesn't have the line capacity but I'm not fishing for Northerns or Musky. Walleye don't tend to make long runs

And if I do hook a longer running fish I still have plenty of line to Rubber bands for ice reels? Re Rubber bands for ice reels? Reply 15 on Feb 06 2017 08 35 AM Keep in mind if you use heat shrink tubing you cannot do a reel replacement quickly on the ice as you can using the bands Logged Now is the time for all good men and women to engage in the sport of ice fishing Unfortunately they discontinued that combo but it's basically the same reel as the lower end 13 Fishing Free Fall reels still on the market

I love the trigger Winter Reel Services Just wondering what people's experience with this is? They received my reel on 1/7 but I have not heard a word from them. When I first inquired they made it seem like turn around was much quicker than it looks like it actually will be

Not that I am in a rush but if I was could I depend on this service? 30 45 day turn around wouldn't work out too well in the middle of the The revolutionary Tight Line Pro will set a new standard for in line ice fishing reel performance

Now you can engage free spool and release free spool with one finger OR engage it and let it go until you reset it with the handle

It's up to you! Features Dual Purpose Single lever free spool activation Momentary One Hand Free Spool Traditional free spool handle reset Graphite Long Stem Frame inline reel for lake trout ? I guess I don't quite get the line twist issue. I am aware that it happens

I have seen it numerous times while using spinning reels. It doesn't seem to affect my catch rate. I have caught many Lakers on a 42 Genz spinning rod with 12lb test and large tube jigs with a strip of sucker meat

I think most laker fishing is too deep for an inline 30 50 ft of water Weed Ez or Reel Weeds??? I got the single reel weed for around my camera cord last year. Then I picked up a 4 pack of Weed EZ weeds yesterday
