Reins are used to direct a horse or other animal when riding or driving. They are attached to a bridle's bit or noseband and are made of leather, nylon or other materials. The meaning of REINS is plural of rein 1 present tense third person singular of rein 2 They held therein of government power

[=they controlled the government] She handed therein of the company to her successor. = She handed over therein of the company to her successor

The President elect will officially take therein [=take control] in January. reins [plural] British English a pair of long, narrow pieces of cloth or other material worn by a small child and held by an adult in order to stop the child from walking off and getting lost. Reins are the thin leather straps attached around a horse's neck which are used to control the horse.

Cord held the reins while the stallion tugged and snorted. Often reins, a leather strap fastened to each end of the bit of a bridle by which the rider or driver controls a horse or other animal by pulling so as to exert pressure on the bit. REINS definition the kidneys
