Howto Returnan Item Products purchased at a Costco location needtobe returned at the returns counter at any Costco warehouse. Items ordered online can be returned at any Costco warehouse or you can initiate areturnthrough Costco

Accepted payment methods differ online and in the warehouse Select Orders Returns. Choose theReturnor Replace Items button nexttothe appropriate order and follow the promptstocomplete yourreturnor replacement request. Receive yourreturnlabel within the hour* or schedule a pickup where eligible

For large items you will be sent an email with additional instructions Thereturnstatement lets you specify what the function shouldreturn

For instance if you wrote a functiontocalculate square roots and the function was called with 9 as the argument the correctreturnvalue would be 3 Jun 22 2024 what s the use case withreturn*this andreturnthis? The former is commonly used in operator overloads

For example assignment operators canonicallyreturna referencetothe assigned object and such a reference is object by doingreturn*this. Returning a pointertoself is significantly rarer In C when a function is declaredto returna value you must explicitlyreturna value with areturnstatement

Otherwise the result is undefined behavior returnis the waytotell Python this function is now done you can go backtothe spot where this function was called while also providing whatever result value the function made

The key thingtokeep in mind is that the function ends the moment it hits anyreturnstatement the rest of the function if there is moretothe function does not get executed
