There iscowgirl reverse cowgirl side saddle and many other variations. For example if you ride him inreverse cowgirlhe gets a fantastic view of your ass riding him but he can also play with you again as you ride him

My partner loves it when I squeeze and play with her ass like this One time I actually came in that position it was so unexpected. I was laying on my knees facing him. But my current partner doesn t like it like that and he actually loses his boner

He likes thereverse cowgirlsquatting and while it does feel good at times I 100% do it for him. It s so much effort for so little sensations I always findreverse cowgirlon the bed is easiest. When riding I like the couch one foot on the floor and one foot ontop of a couch cushion

Wtf is she supposed to do for that? Morereverse cowgirl? Perv May 20 2022 Reverse cowgirlwas kind of tough with a partner that didn t have a lot down there
