>expected Doraridingbig red chicken >leaves satisfied [spoiler]but in all seriousness someone made this already [ spoiler] Bungie is the Internet home for Bungie the developer of Destiny Halo Myth Oni and Marathon and the only place with official Bungie info straight from the developers Destiny 2 The Final ShapeConfront Oblivion Gothalion and Broman and not assholes

And before you say I m ridingtheir dick I m defending them from a toxic ass community. You all think you re so entitled to everything. They are not how any of you say they are. They re generally very nice dudes

EDIT let this die please Bungie is the Internet home for Bungie the developer of Destiny Halo Myth Oni and Marathon and the only place with official Bungie info straight from the developers Jan 10 2021 The quests are called Ridingthe Storm and Stoking the Flame

When I hover over each subclass it says Requires Ridingthe Storm Stoking the Flame Quest Completion. Under that message reads Speak with Ikora Rey in the Tower to unlock this power

When I go speak to Ikora Rey she has nothing available for me to do just an empty menu You obviously don t realize who you re asking. This is the Flood the realm of virgins Depends on how good the girl is at it

Sometimes it feels better than sex sometimes it s all teeth and no technique and you end up wishing you hadn t bothered. Like someone put yourdickin vaccum with human spit hoses May 30 2022 At first was having problems with Ridingthe Storm quest not able to be turned in on my hunter

I gave up and logged off for the night. Woke up and I no longer have Ridingthe Storm in my quest log. I have the Solar and Arc subclasses unlocked but my character sheet just shows Unfocused Void Energy and tells me to speak to Ikora to unlock this subclass

All Ikora has for me is the Grow Sep 9 2025 Everything is a bullet sponge. However abilities recharge quickly and seem more potent. Could be a broken mod but something is very off. Partial nostalgia seeing plague lands but miss theridingbetween locations

Still missing common areas so very incomplete. Having a hard time finding something good to say 2 1 Liquid420Motion My team always sucks donkeydickI m pretty great at pvp. I bought this game on the e3 sale and for a new player I kick ass

That makes it insanely frustrating when I lose most of my matches

Every single team I get put on is pathetically embarrassingly bad >expected
