Men s women s and youth are all discussed here I think you re right thatReyna s selfishness can be applied to other agents and that she s not beyond saving while maintaining her identity but the final point thatReynais a game design success and supports the goals of rewarding and punishing is definitely not true My breeze beachReynaconcept art! Rushed it quite a bit but I thought it would be cool to see some pool party style skins in valorant too

Tried to go for a water gun look with the vandal. I have a few versions of this in wallpaper form

my theory is thatReynawas on her death bed at 100 when the event occurred May 19 2022 A collectible at the at the Kadar Lab saysReynainherited Myrrahs abilities one of which is decelerated ageing. The Kadar experiments were around 50 years before E Day. The locust war was 17 years

25 year gap between gears 3 and 4

SoReynais actually around 100 years old but the genetic appearance of ~50 r ReynaMains For VALORANT players who mainReyna!Reynaand Lucia Tribute! also please repost and like if you enjoy? tiktok shadowbanned me after this post Mar 8 2024 Posted by u Salty Ad9072 2 votes and no comments.
