It is possible that this community of descendants of late 10th century Rus who lived in a remote area of Kievan Rus preserved family names runic lore in archaic forms ancestral beliefs and some of the Old Norse language as evidenced by the runes USDA's Rural Utilities Service RUS provides financing for much needed infrastructure improvements to rural communities

These include water and waste treatment electric power telecommunication and broadband services Russian scholars along with some Westerners consider the Rus to be a southeastern Slavic tribe that founded a tribal league the Kievan state they affirm was the creation of Slavs and was attacked and held only briefly by Varangians The Rural Utilities Service RUS provides funding for the development of rural utilities infrastructure such as water waste management power and telecommunications The Rus are a people described in historical documents as traders and chiefs who were instrumental in the formation of the ancient Russian state between a.d

750 and 1000 The Rural Utilities Service RUS is a subdivision of the Department of Agriculture responsible for providing financing to improve utilities infrastructure in rural areas The area between the lakes was the original Rus and it was from here that its name was transferred to the territories inhabited by the Slavs on the middle Dnieper which eventually became the land of Rus Ruskaja zemlja Given the ongoing war in Ukraine it is urgent to understand the history of Rus to place this conflict in its proper historical context

Two takeaways are worth noting The Rus also known as Russes were a people in early medieval Eastern Europe. The scholarly consensus holds that they were originally Norsemen mainly original The Rus were a proud and unique people of mixed ethnic and cultural origin

They took to state building along the many rivers of Eastern Europe chiefly the Volga and the Dnieper.
