Sakura s role in Boruto or lack thereof is my personal reason why the Boruto series does not fit into the Naruto narrative. Sakurais a person that would directly involve herself in the current situation. Naruto is believed dead. Sakura s best friend

I don t care what you think of Sakura r SakuraStand this Is a place to discuss trading and posting updates and stuff about the game Sakurastand on roblox. created by fans of the game Aug 11 2023 Hey we will travel to Japan in 2 weeks

I was looking for internet options and one of the most convenient options seem to be the travel SIM or pocket WiFi provided by SakuraMobile. The SIM card is probably the safer option. But since we are a group of 6 people I think the pocket WiFi would definitely be the more convenient option

The only thing that concerns me is the battery life of this I ve heard people say that they hate Sakura because she obsessed over Sasuke in Naruto but Naruto does it throughout Naruto and Naruto Shippuden like it literally becomes his life s purpose and goal besides becoming the hokage

I ve heard people call Sakura useless because of how she was when she was 12 but choose to completely ignore all the good she does in Naruto Shippuden because they Apr 16 2023 SakuraSpirits and SakuraSwin Club are classic ones of them I would say it s one of their best ones. SakuraBeach and SakuraSuccubus are really good SakuraSanta and SakuraSadist are short fun experiences Jul 19 2022 Well for one Sakura pushes Naruto to the ground in the Land of Waves arc to dodge Zabuzas attack

In the anime Naruto dodges by himself. Also just more worried about him in the Chunin exam arc and Sasuke is less dismissive of her. Most of the Sakura punching Naruto scenes in Shippuden are anime only she punches him like 3 times at most in Part 2 of the manga

There was also that one scene Jul 31 2015 Not Shisui Sakura only the good die young Only the good die young and Sakura never had the chance to be good. BAMF! Sakura Concussed No one had ever studied the neurological drawbacks of time travel before But what did she care? She was only here for the sak

Crack fic time travel. A Piercing Loss Fifth in my When the Wind Blows series Jul 21 2022 Sakurais not corrupted or controlled rather she is given power and is in a traumatic situation so she lashes out

She already considers herself a bad person and has a convenient excuse I m hooked up to Angra Mainyu so it isn t my fault May 10 2023 You get the Sakura bud from shakingsakura trees hitting it with your axe
