Report Fraud Get Consumer Alerts Search the Legal Library Enforcement Aug 7 2025
Reports to the FTC show a growing wave of scams aimed squarely at retirees life savings

These scammers pretend to be from known and trusted government agencies and businesses The FTC is not contacting people about refunds in the Amazon matter. If you get a call from someone who claims to be from the FTC its a scam. Report it at ReportFraud.ftc

The FTC will never demand money make threats tell you to transfer money or promise you a prize. And no one from Amazon will ever ask you for money to get a refund

Only scammers say they can get you special access Scams Auto Warranty Scam A scammer calls you with a sales pitch for renewing your auto warranty or insurance policy. The scammer may have acquired information about your car and its existing warranty to make the offer seem more credible

Charity Scams Scammers call asking for charitable donations often after large scale disasters. They may make up phony charities or spoof a real charity to April 14 2025 Its hard not to glance at your phone when you hear the ding of an incoming text. Scammers bet on it

And reports to the FTCs Consumer Sentinel Network suggest their odds of a big payout have improved reported losses to text scams have skyrocketed even as the number of reports declined

In 2024 people reported \$470 million in losses to these scams more than five times the 2020 number Sep 18 2018 A new update from the Federal Trade Commission shows that fake check scams led to reported individual median losses of nearly \$2 000 losses far higher than on any other of the top ten scams reported The Commission will continue to stop such illegal and unethical conduct

The Accelerated Debt defendants acting as a common enterprise operated a debt relief scam that took in an estimated \$100 million primarily targeting older consumers some of whom are veterans according to the complaint This video shows you how to report scams fraud and bad business practices to the Federal Trade Commission at <https://ReportFraud.ftc> and why its important to do it Phishing Scams and How to Spot Them Phishing is a type of online scam that targets consumers by sending them an e mail that appears to be from a well known source an internet service provider a bank or a mortgage company for example

It asks the consumer to provide personal identifying information Dec 12 2024 Task scams were estimated to account for nearly 40 percent of the 2024 job scam reports. Task scams often start with a text or WhatsApp message to a
