Dec 27 2014 Sean written Sen or San in Irish is a Hibernization of the English name John that is it's a transliteration of John into a form which can be pronounced in Irish and written with the Irish alphabet which nowadays is simply a version of the Roman alphabet 18 Sean is an Irish name and so follows a completely different set of rules

Siobhan is another Irish name with a very non English pronunciation Mar 6 2013
What is the difference between the following two sentences? I have been working here for 20 years. I have worked here for 20 years

The present perfect tense is used for repetitive or con 1 Sleep on is a play of words here

You didn't know Sean Parker when you saw him you must have been sleeping all this while you were unaware of developments related to Sean Parker Possible Duplicate Me and my wife or my wife and me I keep seeing that it's just courtesy to put yourself last in a list of nouns. eg

They went to the game with S The main difference between lying and not using a comma in Thanks John in your analogy is that lying is a deliberate act of deception that often has negative consequences for the person being lied to whereas dropping that comma is unlikely to have any negative consequences for the reader and is often not done deliberately

It's a poor analogy When you are using the word Dad to refer to a specific person it's standing in place of their name and thus like their name would be capitalized. When you're talking about dads in general it's a common noun

Say you had a horse named Betsy and were re writing the sentence to refer to her The one thing I learned from my horse was that it was good to earn the trust of one's children Jun 28 2015 Have you seen Michael today? Have you seen Michael in the last 3 days 3 years 30 years? These phrases are all correct

Did cannot apply it is used for a remote past one that is detached from this time day week etc. Did you see Michael this morning? now it is the afternoon Did you see Michael yesterday last week last year 20 years ago? These phrases are all correct

Have Invite has been in use as a colloquial form of invitation since at least the mid seventeenth century

There's nothing wrong with it in the right place but in formal contexts such as a printed card invitation would be the word to use Somewhere on Yahoo News I read this text Scarlett Johansson and Sean Penn turned heads when they showed up together at Reese Witherspoon's wedding
