All things about Selena Gomez an American singer actress producer and businesswoman All things about Selena Gomez an American singer actress producer and businesswoman Apr 25 2024 Selenais very recognisable people will give her so much crap for her appearance but its the steroids medication that heavily alters her appearance and is hard on the body skin and thus moon face imo she doesnt look heavily altered Oct 22 2023 And then Orlando proceeded to hook up with Selena Gomez Im assuming to make Justin mad Im guessing a lot of drugs and alcohol were consumed on this blessed night FYI this was 2014

Justin was 20 Selenawas 22 Miranda was 31 and Orlando was 37 Edit pictures from the infamous VS show

He saw the BTS of a modern pop starlet first hand. there are clearly bits and pieces pulled directly from Selenas life

Reply reply Salty_Map_9085 Oct 22 2023 I think the funniest part of the whole saga to me was when Justin accidentally exposed himself for Googling Selena Gomez Coachella outfit and then Selena Gomez Coachella Outfit on stage in 2019 after he had already married Hailey I really feel bad for Selenas all the treatments completely ruined her face she looks like a balloon now Reply reply grilsjustwannabclean nina dobrev is still decent looking idk what back alley surgeonselenahere went to but she should sue because this is medical malpractice Reply reply Ambitious_Giraffe_60 Reply reply sandzak_bih Selenaneeds to be with someone healthy and this Benny guy is not it

Hes gross and she needs to start thinking about her social interactions online because she realllly doesnt need to respond to anyone.
