I've just completed my latest exploration into the porn game industry focusing on the top 25 most supported games on Patreon.

I delved into the names of the games and their developers. The number of supporters each game has. Monthly earnings for each game. Additionally, I've provided concise reviews for each game. Free porn games on the internet mostly started with Flash and because of that, the biggest platform of free games was Newgrounds.

And nowadays, even if Flash is dead, still have a huge library of browser adult games for free. Most creators post a free version on Newgrounds to promote their games and Patreon. Looking for RPG type games that have a sex-based combat system for the protagonist.

So you defeat enemies through sexual acts, not just sex scenes or loss type of thing. Just like the title says action games where you get to fuck the person you defeated or get fucked by who defeated you but not games that are turn-based or visual novels but something more interactive. I'm looking for games like Oh So Hero, Tailsbound, and Max The Elf.

These types of games are exactly what I'm looking for. I'm looking for games where it's not only possible to get the characters pregnant but it's a whole game mechanic, preferably a repeatable one where you can get them pregnant and make babies and maybe raise them too.
