Sexual reproduction in which two individuals produce an offspring that possesses a selection of the genetic traits of each parent is exclusive to eukaryotes

Genetic traits are encoded in the deoxyribonucleic acid DNA of chromosomes. Sexuality is the way people experience and express themselves through sexual activities. [1][2] This involves biological, psychological, physical, erotic, emotional, social, or spiritual feelings and behaviors

[3][4] Because it is a broad term which has varied within different historical contexts, it lacks a precise definition

[4] The biological and physical aspects of sexuality largely Jan 10 2025
These sex positions for couples can bring something new and exciting to the bedroom, so be sure to add them to your repertoire. Having a healthy sex life is good for you both emotionally and physically. Sex can help you create a connection with another person and sexual pleasure has lots of health benefits whether you're with a partner or not. Nov 14 2025 Human sexual activity may conveniently be classified according to the number and gender of the participants

There is solitary activity involving only one individual and there is sociosexual activity involving more than one person. From attraction to action, sexual behavior takes many forms. As pioneering sex researcher Alfred Kinsey put it, the only universal in human sexuality is variability itself.

Human interest in Sex refers to physical and biological traits, whereas gender refers especially to social or cultural traits and the physiological and psychological processes related to procreation and sexual pleasure. Find intimacy and sex advice for any relationship for a healthy and fulfilling love life. Safe Sex Recommendations for Teens When talking about safe sex, it's important to discuss both abstinence and protection.

While abstinence is the only 100% effective way to avoid pregnancy and STIs, teens should also understand how to protect themselves if they decide to become sexually active. Here are some key recommendations for safe sex.
