To hear the actual sound of two or more for that matter I don't judge! people sharing the most intimate human experience possible is a privilege and insanely arousing! Aug 25 2023 First time I heard a couple having sex in a hotel was very arousing

My girlfriend now listens carefully and loves to hear it too and it normally leads to a lot of passionate sex

Have you ever been turned on by it? Or have you had deliberately noisy hotel sex which my girlfriend thinks is true in most cases Nov 23 2021 Looking for tracks with samples or erotic noises sex sounds etc. Please suggest anything you think might work for a playlist I'm putting together

The basis for it is the new Catz n Dogz track Nasty and Lil Louis's French Kiss. EDIT Thanks for the suggestions May 17 2012 r gonewildaudio Gonewildaudio is a place to submit naughty recordings of yourself alone or with your consenting partners. We only accept.
