This policy applies to real world dramatised illustrated and animated content including sex scenes video games and music

Don't post content on YouTube if it shows The depiction of clothed or unclothed genitals breasts or buttocks that are meant for sexual gratification Jul 9 2025
Sex education basics may be covered in health class

But teens might not hear or understand everything they need to know to make tough choices about sex. That's where you come in. It can be awkward but sex education is a parent's job

By connecting with your teen early and often you can set the stage for a lifetime of healthy sexuality Jan 30 2025 Vagina What's typical what's not
Vaginal health affects more than just a person's sex life. Find out about common vaginal problems and how to have a healthy vagina

By Mayo Clinic Staff Dec 20 2025 Pelvic inflammatory disease also called PID is an infection of one or more of the upper reproductive organs in people assigned female at birth. These include the uterus, fallopian tubes and ovaries

If not treated PID can cause scar tissue and pockets of infected fluid called abscesses in the reproductive tract. These can cause long term damage Jul 6 2024
Most often the trauma happens during sex. For example during vaginal sex the penis may slip out of the vagina and thrust against the pelvis

Rarely a penis fracture also can happen due to aggressive masturbation. Or it can result from a cultural practice called taghaandan. That involves pushing down the top of an erect penis with force to stop an erection

With a penis fracture the penis What happens if content is age restricted? Age restricted videos are not viewable to users who are under 18 years of age or signed out. Age restricted videos cannot be watched on most third party websites

If a video on another website has an age restriction the viewer will be taken to YouTube. To watch it they'll need to sign in and be over 18

This process is to make sure that videos Aug 27 2021 Infertility is defined as trying to get pregnant with frequent unprotected sex for at least a year with no success. Infertility results from female factors about one third of the time and both female and male factors about one third of the time

The cause is either unknown or a combination of male and female factors in the remaining cases. Female infertility causes can be difficult to May 13 2022
Treatment In some cases your first sex headache may also be your only one

Some sex headaches improve rapidly so the pain is gone before any pain reliever
