Personally I would say it is the best one available because someofthe features it offers are Guilds communitiesofpeople maximum 800 000 members that you can customize and control with roles permissions etc Apr 5 2023 Browser discord is much more limited than the app

There are many points about this for example discord optimization in the browser is far behind the app in my experience. And this is not the only example

I advise you to use the application it is supported and works much better Jun 11 2021 How do i access the Discord Web Version to access use Discord via the Web Browser? I cant find the web version anywhere. Would love to hear an answer Archived post

New comments cannot be posted and votes cannot be cast Discord stuck at Starting I ve got Discord and DiscordCanary on my computer and bothofthem are giving me this issue

I have to delete the folders in %appdata% and then launch it again to get it to work which is rather annoying because I have to log back in again Remember to set your invite link to never expire and add any necessary post flairs to increase your visibility! Having a detailed description also helps members to find your server! Thanks! I am a bot and this action was performed automatically

Please contact the moderatorsofthis subreddit if you have any questions or concerns Navigate to the Discord folder and delete the Cache GPU Cache and Code Cache folders. Open Discord and go to User Settings gear icon. Scroll down to Appearance and toggle off Hardware Acceleration at the bottom

Reply reply dacacti To add on to this as a last resort you can Uninstall Discord and delete both Discord folders from Discord effectively generates an ID for your account when you first visit their website potentially for A B testing as described above to be consistent between your logged out experience e.g

marketing and once you ve made your account Feb 17 2024 Can someone share a discord music bot that does quite literally everything? rewind forward queue ability to play playlists etc etc.
