84 NIGERIA NO.1 FOOD PROCESSOR springfoods_. Hello Springfoods lovers Good morning and happy new week we are sorry for the delay There s been fish scarcity last week all pending orders will start processing this week We are hoping there will be fish this week

Thank you for your patience Vegavis a Cretaceous waterbird thrived in the ancient seas around Antarctica. Its fossilized remains provide valuable insights into the evolutionary history of modern birds

Its bones were abnormally hard and dense like diving birds suggesting Vegavis fed on fish and other aquatic creatures In any affiliate on Amy program being coached and working with people makes the difference
