Dec 5 2003 Hi Jeff I haveaBosch saw that came with no laser or light. I added an aftermarket laser because it didn t require any modifications. I used it initially but have since pretty much stopped after the battery died

I considered addinga shadowline light but haven t figured out any kindofmounting system yet. Although I haven t used one yet I think theshadowline would be my preference Dec 8 2005 I finished thisshadowbox forafriendofmine that s retiring inaweek or so

I delivered it this morning he s very happy with it! I also made himapen from Honduran Mahogony and had it engraved by Mike and Jen. He at first said he couldn t accept it until I said he didn t havea Feb 15 2018 TShadowmakes one and so does Benson Pace
