Shadowheartlikes Karlach so helping her usually gives Shart approval. Save the gnome at Blighted Village and ask for payment. Make the Zentharrim pay you or split the loot if you save them from the gnolls Thievery. Actions that involve stealing from others are something thatShadowheartlikes seeing

Secrecy Stealth and Deceit just broughtshadowheartinto my party because people said she was good so now i have to pick a feat party is Tav Laezel and Astarion

And while I enjoy her witty dialogue and personality at times I can t help but feel that she has some major red flags especially in Acts 1 and 2. That scene in Act 2 where she tells Gale to harness the Shadow Weave is a great example of this

I don t care if you Shar s other domain is Twilight which unfortunately isn t in the vanilla game so I ve rerolled her for War Tempest or Life as an upgrade from Trickery

War gives her extra attacks Tempest has some neat thunder lightning damage that s just fun to play with and Life is your healer buff option

Light domain is probably my favourite though I always respec her to it after a certain event in Shadowheartis a decent good natured person underneath all that facade every single time she rebelled against the Sharran brainwashing they would erase her memory I hadShadowheartfull Dark Justiciar in my evil run even without optimizing the rest of the party specifically for obscured bonuses the set and Darkness make her super tanky solid damage and lockdown with basically no loss to overall utility or support One version ofShadowheartmakes the right choice when presented with a chance to have her parents back

Another makes the right choice when presented with a stranger. One of these makes her a lot more likeable than the other

Besides I really doubt Shar is going to leave her alone forever in the Dark Justiciar path anyway Aug 15 2023 Best build forShadowheart? Thinking of bringingShadowheartand not bringing Astorion in my four man party. Others will be Gale and Karlach plus me as a high charisma Sorcerer

How would you buildshadowheartin this case? One level of rouge for sleight of hand? Life cleric or Tempest? Is it worth it to give her a shortbow? Aug 8 2023 Shadowheartis not really poly and will get her feelings hurt if you pursue
