shade Learn more The term shady indicates an element of secrecy or concealment  
casting doubt on the legitimacy or sincerity of the subject in question

It is a warning sign that prompts caution encouraging one to be vigilant and  
wary of potential risks or deception Any place that's protected from the glare  
and heat of the sun is shady as in a shady nook

But as its darkened nature implies shady has the equally popular meaning of  
suspicious dangerous or deceitful. You can describe activities as shady when you  
think that they might be dishonest or illegal. You can also use shady to describe  
people who are involved in such activities.
