Apr 30 2022 Two weeks later hergirlfriendbroke upwithher and she was left heartbroken. She told me that I saved her at that time by talking to her taking her out to do stuff. I integrated herwithmy new circle of friends in which there was afriendof mine who I knew over 7 years

Myfriendstarted liking her and they hooked up at a party Never have afriendand I been simultaneously involvedwithguy

But there are plenty of guys that I have been involvedwithbefore or after afriendof mine was Oct 30 2020 Well what if instead of your roommate yourgirlfriendwas FaceTiming her bestfriendor friends? Would you feel you weresharingher then? People are allowed to have friends even when they re in a relationship

You just have to get over the notion of trying to keep her to yourself My 20M gf 21F got drunk and shared a roomwithanother guy

What should i do? r relationship\_advice nbsp nbsp Go to relationship\_advice r relationship\_advice r relationship\_advice Nope! He s told me you can do whatever you wantwithother guys as long as your use protection and I never have to hear about it

The fact that this necessitates a great deal of dishonesty on my behalf means that I won t do it. It would still feel like cheating and I think cheating is wrong. If he wanted to openly have an arrangement like that I d be willing to at least consider it

In the MygirlfriendEmma and herfriendSarah went to a college friends wedding yesterday. They went on Friday and are on their way back now

They weresharinga room at the hotel as it was sold out because of the wedding reception happening there May 17 2024 This is NOT a trading or promoting group! Amateur content only no OF etc allowed here. Proud hubbies share content of their wife couples share what they get up to

Everyone needs one person they can talk to about anything share anything etc

Wanting to take that away is wanting to take control over what your gf says and talks about because you don t trust that you won t be painted in a negative light Jun 8 2022 Im curious what goes through your mind when yourgirlfriend wife has multiple other partners besides you
